Her excellent communication skills enable her to provide constructive feedback to parents after working with their children, fostering transparency and trust. Elya's enthusiasm for STEM activities and technology-driven learning has inspired her to plan and execute innovative activities that have greatly enriched the learning experience for our students.

In addition to her teaching responsibilities, Elya is also diligent in her daily tasks, including opening and closing duties, maintaining order and cleanliness within the dojo, and promptly reporting student progress and activities to her Centre Director.
