Terms for this Award:

To be awarded annually to a first-year student enrolling in Computer Science, Computing and Business, or Computing and Solid State Device Technology. Students must have a minimum 80% admission average to qualify and preference will be given to students with disabilities, aboriginal students and female students in these programs. Students must maintain a 75% average to renew the award.

The funds for this award are made available through the generosity of donors to the university. Please address your letter of thanks to:

Co-ordinator, Charitable Donations

Please write a letter of thanks to the donor(s) and submit the letter through our web site (www.brocku.ca/safa) in the Award Confirmation form in our Quick Links section, if required. We will forward your letter to the donor(s) and keep a copy for our files.

PLEASE NOTE: If you are intending to apply for OSAP for the upcoming academic year, DO NOT list any scholarship or bursary that you have received from Brock under "Award Income" on your OSAP application. We will report this and all other Brock funded awards on your behalf.

Award Disbursement Details:

When do I receive my Award?
Your award will be credited to your Brock University Student Account after we have received a copy of your thank-you letter for the donor, if required. The amount of your award will be applied against the balance of your tuition and fees to the University.
If I have already paid my tuition and fees will I still receive my award?
Yes. The award is still applied to your Brock Student Account and will show as a credit.
What happens if I do not register as a full time student?
Your award amount will be prorated, calculated in relation to the number of classes you register in.
If my award is renewable how many times can I receive it?
For specific renewal details, please see the terms and conditions of the award. If you are enrolled in an Honours Degree Program you may be eligible for up to 3 consecutive renewals; Pass Degree Program you may be eligible for up to 2 consecutive renewals.   Note: renewals are only available during your first undergraduate degree. Concurrent Education students will not be eligible to renew in the final (pre-service) year of studies.
